Capabilities for achieving outcomes to enable, compete, succeed, and grow in business

XMi Capital offers full service corporate financial advice for mergers & acquisitions, divestitures and capital financing. XMi provides confidential and professional representation for sellers and buyers of privately-held businesses and provides distinguished advice in strategic capital transactions. XMi also provides accounting and bookkeeping services for businesses & corporations.

XMi High Growth Development Fund, LLC (“XHG”) is a recipient of the “Tennessee Small Business Investment Company Credit Act” passed in 2009. XMi is a venture capital firm which not only provides capital but mentorship, expertise and support to companies. Entrepreneurs access resources to build innovative companies, transformational economic development and jobs.

XMi Commercial Real Estate is a full service commercial real estate firm specializing in brokerage, property management, and development services within the Middle Tennessee Region. A boutique firm with the experience to take on complex projects, XMi provides a unique perspective and services that are tailored to meet the growing needs of their clients.

XMi Purchasing Partners offers full service procurement and supply chain management consulting services including cost reduction and contract analysis, group purchasing contracts, strategic operational systems planning and design. XMi is committed to assisting any client in lowering indirect spend and designing efficient purchasing and supply chain processes for enhanced profitability.

XMi Financial Services, LLC is a full service specialty finance company with expertise in leasing capital equipment for the manufacturing and construction industries. We focus on end users as well as distributors/dealers of new and used equipment. As a direct lessor/funding source, we underwrite the credits, document and service transactions for our own portfolio.

XMi Human Resource Solutions is a human resource outsourcing company that assists client organizations and leaders in Solving People Problems through outsourcing administrative HR functions, creating effective HR strategies, and developing positive, productive cultures. As a TN-licensed PEO, XMi offers payroll, group benefits plans, retirement plans and employee relations.

XMi Association Management offers a complete management solution for state, national, international and trade associations. XMi manages the associations’ governance, membership, conventions, communications and marketing, web sites and financial services. One of a select few in the nation, we hold the distinction of AMC Institute Accreditation assuring best practices.

XMi Social Enterprises offers executive leadership services to 501(c)3 non-profit organizations as well as proprietary social services organizations. XMi sets the strategic direction for the agencies it manages and develops new revenue sources through developing new programs, or grants, or charitable solicitations.

XMi Studio uniquely applies creative vision to branding, business media and marketing materials. XMi designs and builds online systems, offers web hosting, search engine optimization and ecommerce development. The XMi creative staff can support your brand marketing, online sales, business presentation graphics, events and tradeshows.

XMi Technology is a business consulting firm that offers information technology services delivered in a combination of business process analysis and strategy, and enabled through the most appropriate, current technology. XMi manages information strategy and data connections for business solutions.
